

Health & Safety Policy - Statement of Intent

It is the policy of **Arkay Building Services Ltd** to comply with the requirements of the Health and Safety at Work Act 1974 and all statutory legislation and to provide and maintain a safe working environment for all employees and any persons that could be affected by our works.

Arkay Building Services Ltd will strive to reduce the number of work-related injuries and illnesses to as close to zero as possible, through the provision of suitable training, supervision, a range of proactive monitoring and suitable leadership from top management.

All employees will be provided with such equipment, information, training, and supervision as is necessary to execute our works in-line with legislation and industry best practice.

Arkay Building Services Ltd recognise and accept their duty of care towards their employees, as well as all sub-contractors, visitors, and member of the public.

While the management of Arkay Building Services Ltd will do all that is within their power to ensure the health and safety of employees, it is recognised that health and safety at work is the responsibility of each and every individual associated with the company. It is the duty of each employee to take reasonable steps to ensure his own and other people's health, safety, and welfare, and report any situation that is unsafe to management.

Ultimate responsibility for Health and Safety rests with the directors. The directors of the business will provide suitable resources in terms of time, money, trouble, and effort to ensure the requirements of this policy and legislation are met.

The health and safety policy will be continually monitored and reviewed at least annually. Signed:
